

Located only 1 hour north of Winnipeg in Manitoba's beautiful Interlake, Gimli Bible Camp and Retreat Center is a great place to "retreat" from the busyness of every day life. Many churches, para-church organizations, family groups and Christian schools have enjoyed our facilities as they have looked for a location to do training sessions, retreats, seminars, and family reunions. Beach access and close proximity to Gimli have given our rental groups many options as they have spent a quiet evening on the shore of Lake Winnipeg, strolled through the Gimli Harbour, taken in the attractions and activities in the area or just relaxed with family and friends.

Gimli Bible Camp & Retreat Center

The main focus of Gimli Bible Camp is its summer camp program that we operate during July and August. The site is available for rental from September through June. The purpose of making the site available for rentals is to encourage Churches, Youth Groups, Families, and Schools who desire to strengthen the family unit and encourage spiritual growth in a retreat setting.

We offer a **'facility only'** rental program which means that groups are responsible for their own food and food preparation. The rental cost includes the kitchen and the equipment to accomplish this.

Gimli Bible Camp desires to have campers and visitors enjoy the facilities and natural environment. As a Christian Camp we must remain true to our Statement of Faith, our Mission Statement and standards of Conduct. We require all groups who use our site either support, or at a minimum, not be opposed and contravene them. Therefore, the Camp has outlined a Code of Conduct/Policies that will be sent out to interested groups to follow and adhere to.

Facilities

Our site can accommodate up to a maximum of 180 (not including trailer sites) year round. All cabins are heated, with a central washroom and shower facility nearby. The main lodge has washroom and showers, and mini lodge has a washroom and shower located in the building.
